1	every other card

Deal 10 each · 4 cards start 4 rows

- 1 Everyone picks a card; all reveal at once.
- 2 Lowest card first; add it to the row whose last card is the highest number below it.
- 3 Your card would be 6th? Take the five; yours starts the row.
- 4 Lower than every row? Take any row; your card starts it.

*Play out all 10, then deal again.
At 66 points the game ends; fewest wins.*
